excerpt from a history of education in the united states in presenting this volume under the dignified title of a history of education in the united states i fully recognize that i may to many

seem presumptuous is our educational story they will say so small a matter as to be placed between two covers or is the author one of those dangerous complacents who knows not and knows not that he knows not neither of these queries can be answered wholly in the negative for the complete narrative is a long one and no man can know it in all its details yet the difficulty is not one which can mend itself with time if it were there might be less excuse for the present work which is offered more as a report of progress than as a final word upon the subject in its preparation i have been governed by the belief that the most crying need of the student of our educational history is a considerable mass of definite fact upon which to base his own generalizations or with which to interpret those of others rather than extended philosophical discussions of historical trend current educational literature is rich in the latter though comparatively barren of the former and when it does appear is of necessity disconnected that the work is then essentially institutional perhaps more appropriately termed a chronicle than a history is a part of the plan and if a defect is one fully reckoned with for of two evils the lesser has seemed to me to be the omission of the philosophy rather than the fact about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
