practical guide to parenting from the newborn to adolescent written by a pediatrician who is the mother of five children

in an ideal world mothers would have time to hand sew their kids costumes for the school play prepare all organic meals and volunteer in the classroom at the drop of a hat in reality most moms have to settle for plopping their little ones in front of spongebob so that they can prepare yet another chicken nugget based dinner guiltily convinced they're falling down on the job in good enough mother rene syler pulls back the curtain to reveal the truth about modern mothering and reassure time

stressed moms that even if their children are strangers to made from scratch cookies they can emerge as happy well adjusted fully functioning members of society mother to two great kids of her own syler explains how she learned to chuck perfection for practicality in short how she became a good enough mother she shows other women seeking to balance family work and some semblance of a personal life how to happily join the ranks of good enough mothers who occasionally serve breakfast for dinner yet give their children plenty of what really matters love time and support each essay provides welcome empathy and sage advice on navigating life s different obstacles whether it s dealing with annoying supermoms bluffing through a third grader s math homework or coping with the words that strike terror into every parent s heart your son s teacher on line one offering real wisdom tempered with humor and warmth good enough motherwill have every modern mom laughing in relief and recognition

full of honesty humor and practical insight this is the essential guide for mothers who want to make parenting more joyful every mom needs this book jenna mccarthy author of the parent trap from the experts at parenting magazine and popular mommy blogger meagan francis the happiest mom combines the latest happiness research with the insight and experience of a mother of five francis demonstrates that motherhood doesn t have to be an obstacle to joy drawing on recent happiness research conversations with hundreds of other moms and her own experience as a mother francis shares her ten secrets to happy motherhood in this down to earth funny and accessible book i found myself underlining passages and laughing out loud in recognition this thoughtful hilarious look at motherhood is a terrific resource for anyone who wants to be the happiest mother she can be gretchen rubin author of the new york times bestseller the happiness project reading this book is like chatting with your girlfriend and getting all the support advice and laughs you need brett paesal author of mommies who drink

a chance for moms to catch their breath and refocus embracing the lessons will help you to continue to make the world a better place mary rita schilke korzan author of when you thought i wasn t looking a book of thanks for mom every mom wants to succeed every child also wants to succeed in easy does it mom barbara joy provides moms with positive encouragement knowledge and tools they can begin using immediately as they continue their recovery and move toward being the best moms they can be joy relies on experts with degrees and experts with mom behind their name for more than ten years barbara joy has worked with moms in recovery from alcoholism and other addictions she knows what works plus she includes real life stories and strategies from the moms and children she works with the reader is guided by a professional and encouraged and

inspired by moms who have been there done that because moms in recovery feel more safe and secure in a familiar and consistent environment each chapter begins with an encouraging saying and ends with a writing activity plus between four to eight clear and concise keys are presented in the chapter and at a glance tools reference section for moms in recovery barbara says other than your recovery i believe that parenting is the most important job you'll ever do it may also very well be the hardest job you'll ever do and for sure the most rewarding so moms read barbara joy's words of wisdom and raise children who will make a difference and until she writes easy does it dad i recommend that fathers read it too bernie siegel m d 1 new york times bestselling author of love medicine and miracles

have you had a mom brain moment your heart is racing your palms are sweaty and your mind is spinning with anxiety self doubt and whether or not you remembered to pack the diaper cream becoming a mother is a joyful rite of passage but it can also be overwhelming physically and emotionally how can you calm the worries quiet the guilt and be present with yourself and your kids psychologist and mom ilyse dobrow dimarco specializes in the myriad issues that women with young children struggle with in this compassionate guide she shares science based strategies to help you cope with common challenges and make peace with your transformed identity dr dobrow dimarco uses frank funny and moving stories to illustrate ways to tame self critical thoughts and navigate the new normal of work marriage and friendships learn how you can mindfully accept the highs and lows of parenting even in the toughest moments

as a practicing pediatrician and mother of two young daughters dr whitney casares understands balancing family and career first hand in the working mom blueprint she combines honest insights about her own challenges with professional expertise about children of working moms they thrive to create a reassuring guide to navigating modern motherhood dr casares offers a practical plan that covers setting priorities cultivating self care finding child care establishing an equal parenting partnership delegating whenever appropriate and more

discover your personal parenting style most parenting books present a cookie cutter approach which may or may not apply to all personalities and family dynamics mothering from scratch shows mothers how to develop their own style that helps them be the best mom for their kids and restores the joy of mothering full of solid biblical truth this book encourages moms to explore their personalities and examine their strengths and weaknesses in order to find what works for them tap into the resources surrounding them and get mentoring and support from other moms push past the fear of change or doing it wrong

and allow room for grace in their mothering melinda means and kathleen helgemo provide a flexible customizable approach to help moms discover their optimal parenting style

dear moms you deserve a life with a little less stress let mom hacks help being a mom is the most fulfilling yet draining job you ll ever have but of course you wouldn t change it for the world however time is of the essence and balancing work carpooling making appointments planning vacations grocery shopping meal prepping etc is so hard to do hope comerford understands this which is why she has reached out to moms across the country to gather the best advice expertise and hacks for motherhood doing the mom thing alone is near impossible but momming as hope affectionately calls it can be so much easier when other moms are involved and willing to share what s worked for them mom hacks contains more than 150 mom hacks from real moms to help make your life a little easier and your time kid free or with kids more manageable and dare we say it more productive and maybe a little more fun in this book you ll find hacks for shopping cooking cleaning gifting traveling fitness health and more

a valuable resource for any mom who is interested in improving her parenting skills becoming a beter role model and living as a positive influence on her children regardless of their ages

as a psychotherapist parent educator and parent coach alyson schäfer has worked with a great many mothers who in the quest to be a good mother have ended up on the door step of despair alyson is a forty something suburbanite working mother of two and can speak to these issues both personally and professionally this book explains the psycho social phenomena of how each person creates their own unique good mother myth and then examines why these myths are not only faulty but could in fact lead to poor parenting marital disaster and individual crisis her years of educating parents around these concepts afford alyson the skill to take complex ideas and explain them to a lay audience in a compelling and easy to understand way capitalizing on the need to present parents with information in an easy to digest format the book is presented as a series of personal stories each highlighting a common parenting myth this format will appeal to tired parents who have little time and energy for academia instead readers learn by taking a voyeuristic peek into the private family lives of the book s characters readers can identify with the fictitious parents and coaching clients in the stories and see first hand how the characters life experiences shaped their unique good mother myths and how these myths create conflict in their lives the author offers up ideas for how the character can reject her current thinking and adopt a more useful outlook to improve her situation the story

arc allows readers to identify and then project how their parenting may be unknowingly going off the rails the goal of this book is to provide parents with some basic education and a means of self discovery readers uncover their own good mother myths and are given an eye opening glimpse into potential issues to challenge their thinking a great sense of empowerment is restored as mothers become better able to resist the pulls of their personal and cultural myths and instead begin parenting with greater intention and in ways that are more suitable to proper child guidance

with lists tips rules and defining principles for everything from planning a family vacation to surviving picky eaters or a rainy day the mom book is peppered with real world stories from the contributing mothers

with hope honesty and humor what kids need most in a mom provides direction on how each mom can make the most of the love talents responsibilities and frailties that have been given to her

100 ways to be a stress free mom and raise happy kids explores motherhood in a brand new light the author draws from her neuroscience background and her analysis of hundreds of real parents and takes you directly to the core of what it truly means to be a mother without sugar coating it each chapter presents a real world parenting scenario with the most accurate and up to date advice on how to sail through it in the most efficient way possible with chapters such as have a ranting bestie and take your baby to hard rock cafe this a must have book for all present day mothers who want to transform into a nirvana ma a happy peaceful and stress free mom

best selling parenting guru michele borba the mother of three has surveyed 5 000 mothers for their experience and wisdom in raising happier more confident kids by returning to a more natural authentic kind of mothering she shares 12 top secrets of successful moms culled from her research and shows how to apply them to your family you ll learn how to apply the 12 essential principles that child experts and 5 000 parents say matter most in good mothering raise children with confidence resilience and character create a customized mothering plan and use it so it leads to success with your child cut the guilt and reduce the stress by sticking to what really counts in parenting good kids today discover simple ways to make big differences in your family s life

named a 2014 bronze medal winner in the global ebook awards the mommy code is a must read for every parent and

grandparent in addition to providing practical proven strategies for real life challenges the book will make you laugh on every page in this exciting trip to the motherhood keri white has journeyed to many places she has interviewed single moms in urban schoolards and married moms who travel only by private jet between aspen and the french riviera they all ask the same questions is it possible to host a family dinner party without anesthesia yes see chapter 5 for tips formats menus and recipes how to you entertain a pair of 3 year olds on a rainy afternoon and avoid a full scale house demolition open your dishwasher spray it with shaving cream and let the kids have a finger painting free for all when they re done just shut the door hit the rinse cycle and let them wash up in the sink or tub see chapter 2 for more ideas what is the appropriate response to a five alarm tantrum in a public place whether it s yours your child s or a total stranger s the response is the same take a deep breath and remove yourself and your child from the area how do you refrain from poisoning your mother in law when she repeatedly tells you that her poor son looks so thin and tired see answer to previous question

children they want everything and they want it now they don t care about killing your sex life or the way they add six inches to the length of your breasts and they sure as hell don t give a sh t that you only slept four hours last night any person physical need or dream that takes you away from them for even five seconds is their natural enemy and must be crushed with loud endless cries this book is about how to survive babies and what they grow into children it s about shortcuts and parenting with 40 effort you ll learn how to ignore avoid threaten and lie in easy to skim while locked in the bathroom mini chapters plus valuable how to fake it tips to help you through those days when there isn t enough sh tty advice in the world we get you we get your little dictators and we can help

denise schipani shares her secret to being a mean mom and why it s better for your kids and for you in the long run jen singer author you re a good mom and your kids aren t so bad either mean moms make kids learn to do things for themselves from making breakfast to finding inner peace i m hoping i m a little meaner myself after reading this book lenore skenazy founder of the book and blog free range kids i ve chosen to be the kind of mother i feel is best and that kind of mother is mean mean moms say no mean moms are consistent mean moms trust themselves mean moms don t care what everyone else is doing mean moms teach kids the life skills they need to know mean moms slow it down mean moms fail their kids a little bit every day and mean moms prepare their kids for the world not the world for their kids raising children into adults who know how to make themselves happy mean moms rule and their kids benefit denise schipani writes about all things mean and motherly at
